

Compost

1 part green, 2 parts brown,
oxygen + water

Greens
(nitrogen)

Vegetables
Fruits
Nut Shells
Egg Shells
Coffee Grounds
Tea Bags
Dirt + Dust

Browns
(carbon)

Dead Leaves
Hay + Straw
Saw Dust
Shredded
Paper,
Cardboard,
Junk Mail

No meat or bones. Water
the compost so that it feels
like a wet sponge, and turn
weekly with a shovel. You
will have soil in the end!
